

Application and Information for Northcoast Artists, A Cooperative Gallery
362 N. Main St., Fort Bragg, CA, 95437 • 707-964-8266 • www.northcoastartists.org

Northcoast Artists Gallery was established as a venue for emerging artists in 1986. NCA is a true cooperative, owned and operated by its members, who share all the responsibilities of running the gallery.

To be eligible for membership, you have to live and work in the Mendocino County area. We are seeking artists who excel in their chosen discipline and bring diversity to the current work we exhibit. Artwork should be original and unique in comparison with what we currently display. It is also very important to have a cooperative spirit, enjoy working with your peers and connecting with the public.

All applications will be reviewed. Please read carefully the responsibilities involved with participating in our gallery before submitting your application. If accepted, you will be offered a Guest Membership for a 6 month trial period. During this trial period you will have time to decide if NCA works for you. After the 6 month period, you may apply for a Full Membership. Your application for Full Membership will then be put to a vote.
